Attorneys for Defendant Maytag Corporation

Defendant Maytag Corporation (“Maytag”) hereby moves this Court to extend the deadline for both parties to file their opening claim construction briefs (“Markman briefs”) by one week, from May 19, 2006 to May 26, 2006. The original May 19, 2006 deadline for filing the opening Markman briefs was set following the court’s December 5, 2005 scheduling conference (D.I. 46). Answering briefs are due June 9, 2006 (D.I. 46) and the Markman Hearing is scheduled for July 11, 2006.

Maytag requests a one week extension of time for filing the opening Markman briefs, and does not request an extension of time for filing the reply briefs. The parties filed and exchanged claim construction charts on Friday, May 12, 2006 (D.I. 70), and have since successfully narrowed the number of disputed terms. Discussions between the parties are ongoing and additional time may further reduce the number of claim construction issues ultimately before the Court.

Counsel for Maytag has conferred with counsel for Plaintiff, Dyson Technology Ltd. (“Dyson”) concerning this motion. Dyson does not oppose Maytag’s request to set May 26, 2006 as the deadline for both parties to file their opening Markman briefs.

Entry of the attached Order resetting this deadline is respectfully requested.
